

THE ODGERS BERNDTSON LEADERSHIP CONFIDENCE INDEX

ODGERS BERNDTSON

**DISRUPTION:
A CRISIS OF
CONFIDENCE**

Global leaders are facing a crisis of confidence.

**What does your organisation
need to know?**

Only 15% of business executives worldwide have confidence in their own top leadership to successfully manage disruption.

This was the stark finding from our first **Leadership Confidence Index** in spring 2020.

Since then, the pandemic has disrupted the world.

As we begin to emerge from the crisis, we want to explore how confidence in leaders has been affected.
